

# Project Description

- **Purpose:** Exploitation of gold-bearing minerals
- **Extraction of Ore:** Underground mining practices (drilling & explosives)
- **Extraction from Pit:** Mechanical and manual tools
- **Target Production / Day:** 20 Metric Tons (MT) (conventional fill cut method of exploitation)
- **Inferred Resource:** 150,000 MT with a grade of 7.0 to 8.5 Gr. of Au/MT Respectively <sup>1</sup>
